

24 Hour Ozonation

Operates totally independent of Pool Equipment

Perfect Pool **PP-2**

In-Deck Module & Ozone Generator

PERFECT POOL is the most Energy Efficient water sanitization system available today. Ozonates and circulates at 15,000 gallons per day!

The **PP-2** utilizes the 3 basic principles of Friction + Head Pressure + Siphoning, Perfect Pool **PP-2 can ozonate your pool 24/7** for an average cost of only eight dollars per month for an 15,000 gallon pool.

Reduces chlorine/bromine use up to 75%.
Eliminates red, irritated eyes & dry, itchy skin.
Eliminates faded swimming attire.
Certain chlorine-resistant pathogens cannot multiply in water that is treated with ozone.
Improved water clarity
Take less energy to heat the pool water
Eliminates chlorine/chloramine odors
Ozone sanitation has no negative impact on the environment

All Perfect Pool systems come with a One Year Limited Warranty

- 75% reduction in chemical cost
- Helps balance your pH of your pool
- Can be winterized for snow-belt locations
- Helps maintain the total alkalinity levels
- One moving part - no long term maintenance
- Eliminates sun tan/body oil build up on tile lines
- Helps precipitate heavy metals in your water
- Operates for about \$8.00 per month or 27 cents per day

PERFECT POOL is the only complete system that generates **100% effective ozone for pools**. Even the PP1 via the diffuser does not degrade the ozone, regardless of water flow or speed. The unique circulation of the PP2 and PP3 in-deck modules with the added filtration capability of the PP-3 make it is clear that Perfect Pool is REALLY independent of pool equipment. Perfect Pool is **THE ONLY SYSTEM THAT ASSURES THE OZONE IS 100% EFFECTIVE, AND IT IS RADICALLY DIFFERENT AND SUPERIOR TO THE WAY OZONE HAS TRADITIONALLY BEEN DONE IN POOLS FOR THE PAST 30 YEARS.** PERFECT POOL is the **#1 Choice** for **PURE, CLEAR COMFORT.**
